INFRASTRUCTURE AND SERVICES

WAXING FACILITIES

A special waxing protocol is in place for the Nordiq Canada 2024 trials. As such, two 12'x60' open-space trailers divided into 24 areas of 4'x12' have been made available by the OC. A rental cost of \$135 + tax + Zone4 service fee has been determined by NC and the OC for the rental of a 4'x12' area. Clubs are encouraged to arrange among themselves to share space and costs.

According to the established parameters, each 4'x12' space can accommodate a table and meet the needs of 8 athletes.

Here are the specifications to determine your needs:

- Up to 8 athletes = 1 table (2 benches)
- 8 - 16 athletes = 2 tables (4 benches)
- 16 - 24 athletes = 3 tables (6 benches)
- 24 athletes and more = 4 tables (8 benches)

All Open category competition skis must be prepared in these common areas. Skis in the U18/U16 categories are not permitted in this waxing area. Tables and benches are not provided by the OC. Clubs must provide their own equipment.

Teams can reserve spaces using the Zone4 [2024 Nordiq Canada Selection Trials - Rental Waxing Facilities](#) form **before Sunday, December 10, 2023**. If all 24 spaces have already been allocated, please contact the organization at xcskimsa.info@gmail.com for your requirements.

For the Quebec Cup, parking spaces are provided for teams with their own waxing truck or trailer, and who are self-sufficient in electricity (generator). Teams who do not have their own waxing trailer can reserve a 4'x12' area for waxing the skis of their U18/U16 athletes, at a cost of \$135 + tax + Zone4 service charge. As with the Open category, clubs are encouraged to arrange among themselves to share space and costs. The OC will provide the relevant teams with the reservation procedure. However, these teams must communicate their needs to xcskimsa.info@gmail.com **before Sunday, December 10, 2023**, indicating :

- Team name, manager, contact details, number of skiers
- Need: Number of waxing places

It should be noted that the OC has provided for the possibility of adding an additional trailer if needed.
